ALMANAC 2026-27

SCHOOL MOTTO

**The Child is the Hero - We Follow Their Journey,
Inspire Excellence, and Shape Tomorrow.**

Our motto reflects our philosophy that the child is our hero.

‘Following the Child’ comes from our Montessori roots, where each child leads their own journey and we walk beside them with respect.

‘Inspiring Excellence’ is nurtured through meaningful effort, purpose, and joy in learning.

‘Shaping the Future’ reminds us that every child we guide today becomes a citizen of tomorrow. We value emotional well-being and leadership, helping children grow with empathy, confidence, and strength.

At Tenbroeck, the child is at the centre of all we do; our purpose, our path, and our promise.

FOUNDER DIRECTOR'S DESK

Dear Parents,

Warm greetings and a heartfelt welcome to another meaningful year at Tenbroeck Academy.

This almanac has been thoughtfully put together to serve as a reference handbook; one that carries information vital to our children, teachers, and you, our parent community. It outlines our school's vision and ethos, offers clarity on expectations and responsibilities, and gives structure to the year ahead. More than a schedule of events, it is a guide that reflects who we are as a school and what we collectively aspire to achieve.

At Tenbroeck, we begin every day with deep respect for the child. Each child walks through our gates with their own story, temperament, and rhythm, and it is our responsibility and privilege to meet them where they are. Our aim is not just to teach, but to create an environment that nurtures curiosity, independence, joy in learning, and a strong sense of self.

Our foundation in Montessori philosophy continues to guide our approach, especially in the early years, where we emphasize freedom within structure, meaningful choice, and hands-on discovery. As children grow, we extend these values through the ICSE and IGCSE curricula, combining academic rigour with purpose and creativity. We strive to help every child become a confident thinker, an empathetic peer, and a responsible citizen.

Tenbroeck is a progressive school, rooted in tradition, but not bound by it. We constantly ask ourselves: What does the child need most? How do we prepare them not just for exams, but for life? Our curriculum balances academics with the arts and sports, offers space for socio-emotional learning, and includes rich cultural experiences that help children stay connected to their heritage.

We see discipline not as punishment, but as a gentle unfolding of self-awareness. We see leadership not as a position, but as a way of being. We believe that excellence must be pursued with kindness and that success lies not in comparison but in growth.

A school becomes truly meaningful when parents walk this journey alongside us, and I am deeply grateful for your trust and partnership. Your support of our values, your involvement in your child's learning, and your thoughtful feedback help strengthen everything we do. Thank you for believing in our vision and for reinforcing it at home.

As we step into a new academic year, we look forward to the moments of discovery, challenge, laughter, and learning that lie ahead. Let us continue to work together with sincerity, clarity, and hope for the benefit of every child in our care.

Ms. Brinda Srinivas
Founder Director
